D. I did a lot of things yesterday. First, I went to school. In Spanish, we had to do a lot of exercises with the preterit. I liked the opportunity to work with the preterit. After, I had to go to Art. Unfortunately, I couldn't draw or paint very well yesterday. Also, I was sad because my friend José didn't come to school and he wasn't in Art. In English, the professor told us that we had to write a composition (essay). I don't like to write compositions (essays)!

After the class, I went to the soccer game with my brother. The game was a lot of fun. Roger's team won the game, 4 to 3. Jordan scored two goals. He played very well! After the game, my brother and I went home to eat. When we arrived, my mom was home. My dad came home late at 7:00pm. We set the table and we ate dinner. We had to clear the table after eating. I did my homework and I watched T.V. for an hour. I watched my favorite program, "American Idol." I told my parents "good night" and I went to my room to sleep at 10:00pm.
